Sarawak.

Dear Hiring Manager,

Application for Skim Latihan 1Malaysia Programme

I am Nurain binti Babu Osman, very keen in applying for the programme mentioned above.

I have graduated with **Bachelor of Honours (Sc.) in Chemistry** from University Malaysia Sarawak (UNIMAS). My final CGPA is 3.19

I have gone through industrial training at PETRONAS Carigali Sdn. Bhd. as a trainee in Production Chemist Department and 1 year working experience with TalentCorp Malaysia as a campus ambassador.

I have equipped myself by attending Life Science and Biotech Training for 23 days under DreamCatcher Sdn Berhad which emphasized on industry life and machine skill. 5 days of Palm Oil Mill Technology Training and 1 day of Safety in Plant Training under Sarawak Technical Vocational Educational Training Initiatives.

Apart from being a proactive learner, I was actively involved in extra-curricular activities inside and outside of campus. My enthusiastic involvement in these activities has served me well in nurturing my leadership, team work and communication skills.

I am available for an interview at any time convenient to you. I can be reached via email **ainosman@gmail.com** or my contact number **0138683329**. My resume and relevant documents attached herewith. I am hoping to hear from you soon.

Thank you for your time and kind consideration.

Yours faithfully,

Nurain binti Babu Osman (Ms.)
