<b>Week</b>	<b>Duties</b>	<b>Duration</b>	<b>Incharged</b>	<b>Complusary</b>
1-5	Introduction Department and Dutie	July 14-July 18	En.Norazman B lkhwan (Chief Servant Technology) Pn. Radziah Bt Mat Yassin (Adminstry Office)	I would easier for know the function each department and unit in smooth of working site
6-7	Coursework Programme (ICT) website	August 4-August 6	Course held on by another teacher from school (I'm not have info about the fascinator of coursework)	The cousework were specifically allowed to the teacher the guest from another unit not allowed for join up the session
8-9	Coursework Programme Video Media Interactive	September 15 – September 18	Course held on by another teacher from school (I'm not have info about the fascinator of coursework)	The cousework were specifically allowed to the teacher the guest from another unit not allowed for join up the session
10-11	Coursework Programme Photography	October 21- October 23	Course held on by another teacher from school (I'm not have info about the fascinator of coursework)	The cousework were specifically allowed to the teacher the guest from another unit not allowed for join up the session
12-20	Deformation renovation space of office, room and facility	November 1- November 5	En Norazman – Order for make draft on blueprint and confirmation started operation as approval renovation	I were have feel so weird because before this I would never know need does some another part of out on bound depend on duties were give but I follow the instructor

20-30	Construction Organized Library and Record	November 14- November 15	Pn Radziah- Give duties for change the furnishing relocated	Library actually I never taking over of this site because I would only like the digital site this new experience on behave of me and feel kind of library keeper
31-40	Replane Location of room and utility	same as follow by week above	En Norazman – Renew blueprint the circuit of plugs and also utility function and change the information amount of item utility	Plane also need I challenge the calculation because I ever well unknown the architecture plane blueprint located and square per feet I seem so challenge me as art stream
41-55	Record and encord HQ message and Branch instruction	same as follow week above: Admin assistance were not in office because got for government examtion	Only me on the department and also I were held on the phone record and encord the instruction from each side such as HQ,Branch ,School and Services	This work actually much line in and line out the telephone operator use very hard understanding the lot part because each code are deference department and also not like normal telephone

56-70	Marking on observe the item of each media equipment ,office	same as follow week above: Make record for listed for latest update checkup each part and room item	Pn Radziah- Give duties for make the shortlist of item in right placement and also shortlist on item need eliminated base on the condition of that surface or function	These work are so many times need check up because some of there room still has the odd equipment and facility such as dark room it still has analogue technique photography film process bald or sink still have and hard to informed because it unknow what need report for the room much of production equipment neither nor expose either keep or keep the condition site
71-88	Office work like library organize plotting type of book genre	same as follow week above: Least work and just placement and follow genre each compartment	Pn Fairuz- Let duties to me for organize all the bookshelf and plotting genre book, enslopedia ,magazine and etc library sources	Each of book so much of genre and some of there were missing of the classification code or the surface and condition not really clear the title or borrowed card left let lost or spoiled condition
89-180	Replace and Renew item record	November 22- November 25	Pn Radziah-confirmation on item need eliminated and item still need used base on term of quality and ability function of there item	This work is may very so much faced some dirt or dusk cause may very has broken equipment or dangerous surface need care of because it may incident will cause injured if not take safety precaution
180	Dismiss the department and permission leave the department unit	December 29 (Permission for sign out from the unit and approval letter discharge service)	Pn Fairuz Assistant Servant Technology Make a leaver letter as discharge duties on unit	I would ask the permission on the second servant because the first servant not at the unit because have posting another center then need informed the period ends need approval leave letter for ending duties and discharge

1-5	Interview Report College Department Internship Industry	January 5- January 7	Pn Rozita Lecture under Multimedia Animation	Interview for the report tasking on duties on me but much of there were out of my stream need consider official duties
-----	--	-------------------------	--	--

### **TARGED OF SELF IMPROVISE, CONTRIBUTED EXPACTED AND INCOME EXPACTED**

#### **TARGED AND CONTRIBUTED EXPERTIESE**

Improve to high demand of Industry and Expertly for achieve ranking to high level of rise up for various duty and ability takes responsible for hands on the obstacle in market of trends and demand of common economic outreach

Will be take opportunity for gain up platform of faced development of assume the tasking and duty of work area to cooperate in professionally and suite for each team work and tolerate with obstacle of faced extreme economic various and also innovative, creative and evolution of pattern of style, enforcement, realised and respond of situation industry need and to enhance outcome for domestic holistic ways

#### **INCOME EXPERTED**

Depend on the market common of currently base on the ability and cooperated of duty around MYR3,000.00-MYR4,000.00

- If the started I will consideration adjustment around MYR1,890.00-MYR2,000.00 this is the minus price I consideration accepted because the living now day hard and expanding much for houses payment

### **MARTIAL AND STATUS**

#### **STATUS AND TYPE OF GENDER**

Single and Straight also interested on Women for Married

#### **TERM OF SELF ATTITUTUED**

Pious in Islam and Self honour in good dignity
