SOMETHING ABOUT MYSELF

I am a 23 year old fresh graduate who never loses the desire to learn and improve my talents. I am easygoing person, have a good self-confident. Can work in teams to smooth efficiently, complete given task on time, straightforward and easy to cooperate, can work independently, self-motivate and learn new things fast. I would like to work in an organized environment, where I can be challenged to perform and be recognized for my performance. I prefer to be able finish my task smoothly and I like to think that I am ambitious and realistic about my chances of completing a task successfully and contribute positively in company.
