Dear Sir,

I read your advertisement for the post of SL1M (Teacher) with great interest. If you are seeking a fresh graduate who is unemployed for more than 6 months after completion of study, please consider my application.

In 2016, I graduated with a Bachelor Science in Mathematics with Computer Graphics from University Malaysia Sabah. I believe that my education qualification meet your needs.

I am willing to learn every new things to explore more about animation. I can collaborate and work well with people around me. Given the opportunity, I'm confident in my ability to contribute significantly to the growth of the company. I would welcome the chance to discuss this job opportunity in greater detail. Feel free to contact me at 0148696741 or [mailih\\_marcus@yahoo.com](mailto:mailih_marcus@yahoo.com)

Thank you very much for your time and consideration.

Yours sincerely,

*mailih*
