**EDUCATION BACKGROUND**

**UNIVERSITI TEKNOLOGI MARA, SHAH ALAM** **2013 – 2016**  
Bachelor of Engineering in Chemical [Hons.]  
CGPA: 2.77

**UNIVERSITI TEKNOLOGI MARA, KOTA SAMARAHAN** **2010 – 2013**  
Diploma in Chemical Engineering  
CGPA: 3.45

**SMK ST. TERESA, KUCHING** **2005 – 2009**  
Sijil Pelajaran Malaysia (SPM)  
8A's 2B's

**WORKING EXPERIENCES - INTERNSHIP**

Internship at Jabatan Kerja Raya (Pusat Makmal Bahan) Kuching, Sarawak. (10 weeks) **2015**  
- performed mechanical testing and analysis for soil lab, aggregate lab, concrete lab and forensic lab together with the lab technicians for each department.

- familiarized with MS ISO IEC 17025 standard carried out in JKR CML for every testing made. MS ISO IEC 17025 is the International Laboratory Competency Requirement which provides technical recognition for the quality management system for material testing laboratories. Accreditation is critical in establishing the credibility of Construction material laboratories, and serves as a seal of quality. It also helps lab testing reports accepted globally.

### **EXTRA CURRICULAR ACTIVITIES**

- Member of Red Cross Unit, Basketball, ISCF and YCS. **2005 – 2009**
- Member of Kesatria and Chemical Engineering Student Society (ChESS) UiTM Kota Samarahan **2010 – 2013**
- SITOK (Student Integration of Kenyalang) Society in UITM Shah Alam. **2013 – 2016**  
 Vice Secretary II
  - ❖ Organized a 'Young Startup' program (2014)
  - ❖ Volunteering at Lan Berambéh 2014
  - ❖ Organized Juh Berambéh

### **SKILLS AND ABILITIES**

#### **COMPUTER SKILLS**

MS Office – Word; Excel; PowerPoint	EXPERT
HYSIS	INTERMEDIATE
AUTOCAD 2009	INTERMEDIATE
MATLAB	INTERMEDIATE

#### **LANGUAGES PROFICIENCY**

	<b>SPEAKING</b>	<b>WRITING</b>
BAHASA MALAYSIA	FLUENT	GOOD
ENGLISH	FLUENT	GOOD

#### **SOCIAL SKILL**

Communication, leadership and teamwork skills have been achieved through involvement with many technical presentations, assignments and large number of group discussions and projects. Below were the projects done by me at UITM.

Final Year Project (Diploma, 2013)	Individual	Preliminary Design of Gas Absorption For SO <sub>x</sub> Treatment (HYSIS)
Research Project (Degree, 2016)	Individual	Synthesized Hydroxyapatite Powder From Cockle Shells Via Chemical Precipitation Method (LABWORK)

Design Project (Degree, 2016)	Group work	Production of 60 000 Metric Ton of 1,4- Butanediol (DESIGNED A CHEMICAL PLANT)
----------------------------------	------------	---

### **PERSONAL STRENGTH**

- Have a qualities of a leader and management.
- Self-motivated, positive, creative thinker, dedicated, well-disciplined and flexible.
- Good communicator and listener, able to corporate with other people as a team
- Always ready to accept comment and advices
- Able work under pressure and a fast learner

### **EXPECTED SALARY**

Monthly Basic Salary: **RM 2 300 (*NEGOTIABLE*)**

### **ADDITIONAL INFO**
