Education

Degree in Mechanical Engineering, 2011-2015, Universiti Malaysia Pahang (UMP), Pekan, Pahang.

CGPA: 3.09

Among subjects taken:

- Renewable Energy Resources
- Corrosion Science And Engineering
- Welding And Joining Technology
- Hydraulics And Pneumatics

Matriculation Certificate, 2010-2011, Pahang Matriculation Technical College, Jengka, Pahang.

- Taken technical stream.
- Achieved CGPA: 3.12

Training

Skim Latihan 1Malaysia - Industri Bekalan Elektrik (SL1M - IBE) Tenaga Nasional Berhad (TNB) Trainee, Sep 2016 – Mar 2017, Centre of Expertise – Projects, Energy Venture Department, Petaling Jaya, Selangor.

- Developed a project specification with colleagues, often including those from other engineering disciplines.
- Managed projects using engineering disciplines and techniques.
- Evaluates mechanical systems and products by designing and conducting research programs, applying principles of mechanics, thermodynamics, hydraulics, heat transfer, and materials.
- Provides engineering information by answering questions and request.

CIDB Finishing School Programme, Apr 2014, Universiti Malaysia Pahang (UMP), Pekan, Pahang.

- Short course conducted by CIDB to develop and improve skills among Construction-Personnel by focusing on standards, competency, quality and productivity to cope with the ever-changing requirements of the Construction Industry.

Kursus AutoDesk 3D Max (Kejuruteraan Automotif), Apr 2014, Universiti Malaysia Pahang (UMP), Pekan, Pahang.

- 2-day programme aims particularly to prepare the participants in term of skill enhancement towards their marketability in the future.

Working Experience

Food Preparation Worker, Jan 2016-April 2016, Restoran Selera D'Timur, Putrajaya.

- Packaged take-out food and/or serve food to customers.
- Received and stored food supplies, equipment, and utensils in refrigerators, cupboards, and other storage area.
- Carried food supplies, equipment, and utensils to and from storage and work area

Practical Trainee (Technical Department), Jun 2014 – Sep 2014, Jabatan Kerja Raya (JKR), Cawangan Kejuruteraan Mekanikal, Kota Bharu, Kelantan.

- Applied engineering principles and practices to emerging fields, such as project management, air-conditioning operation and maintenance, asset management, and heavy machinery operations and maintenance.
- Reviewed and prepared related inspection and report damage vehicle documents that involved with asset management section.
- Reviewed projects instructions and blueprints to ascertain procedures, and objectives and test nature of technical problems.

Activities and Involvement

- Section Chief, Karnival Kerjaya & Keusahawanan (KAKUMP'14), May 2014.
- Section Chief, Festival Kesenian Kolej Kediaman 5, Oct 2013.
- Secretary, Welfare & Spiritual Secretariat of Mechanical Engineering Professional Student Club (MECHAPRO), Sep 2012 – Jun 2013.
- Active member, Orchestra Club (UMPO), Sep 2012.
- Active member, Debate Club (ORATOR), Feb 2012.

Skills

IT Proficiency	Microsoft Office Application, Solidwork, DasyLab, Autodesk Mechanical Simulation, Automation Studio
Language Proficiency	Bahasa Malaysia (excellent), English (excellent)
Writing Proficiency	Bahasa Malaysia (excellent), English (excellent)

Additional Information

Driving License	D
Expected Salary	RM2,200 – RM2,500
