

## **Application for Engineer or Any Relevant Vacancy**

With reference to the above matter, I would like to express my interest in applying for a post as engineer or any relevant position at your company.

I am Mechanical Engineering degree holder graduated from Universiti Teknologi MARA (UiTM), Shah Alam in July, 2015. Currently I'm works as Graduate Research Assistant (GRA) at Universiti Teknologi MARA (UiTM), Shah Alam. I have my internship experienced at Urusan Teknologi Wawasan (UTW) under Malaysia Airport Holding Berhad (MAHB) in Kuala Lumpur International Airport (KLIA). During the tenure of my internship, I have the chances in gaining new experience, improving technical knowledge as well developing skill in preventive maintenance service, prepare the monthly reports, and repairing works due to report and problem occurred at Main Terminal Building, Contact Pier and Satellite Building in KLIA.

I always believe that learning is a continuous process in life and the best way to learn and grow is by properly executing whatever tasks entrusted to me while as much as possible, try my best, to be within the timeline and expected quality. I would describe myself as keen and fast learner, a motivated and result oriented person with strive to learn and improve and responsible in towards the tasks and job assignments.

As part of my carrier advancement and new exposure, I would like to seek opportunity to be part of your team to make significant contribution to the aspiration of your company and pursue further my professional carrier as an engineer. I am sure have something to offer and would be very glad if I could be considered as one of your potential candidates for interview for any suitable position deemed relevant to my experience and qualification.

I would be ready for an interview at your call and convenient to further explore the opportunity and possibility for me to be part of your successful team. Please find enclosed herewith my resume that provides a brief description on academic background, working experience, skill and achievement. I can be reached at **013-2523802** or via email address **[syahramlan92@gmail.com](mailto:syahramlan92@gmail.com)**.

Thanking you and looking forward your promising reply.

Yours faithfully,  
Syafiqahdahiyah Binti Ramlan
