

## Application for job related with Engineering

Dear Hiring Manager,

With all my respect, I am very interested to apply for the above position.

I am recently graduated Bachelor's Degree of Mechanical Engineering (Naval Architecture & Offshore) at Universiti Teknologi Malaysia (UTM), Skudai, Johor Bahru. To brief about me is my enrolment in engineering courses has equipped me with solid fundamentals in Mechanical Engineering, exposure on technologies, problem-solving and analytical skills and work under pressure. My overall CGPA is 3.12.

I have gone through three-month industrial training in Boustead Langkawi Shipyard Sdn Bhd company position as Mechanical Engineering Trainee where I was given tasks equivalent to a fresh graduate engineer. I have performed well during the training which had helped me expose to various practical knowledge and managerial skills.

I believe my knowledge and technical know-how in the field of engineering will help me contribute a great deal to the company. Above all, I possess the interest and determination to perform well in graduate position you are offering.

Enclosed is a copy of my resume and other relevant documents.

I am available to attend interview at your convenience. I can be contacted at [+6013-7838275](tel:+6013-7838275) and the following email address: [firdaus.ismail.aripin@gmail.com](mailto:firdaus.ismail.aripin@gmail.com)

In case of no suitable vacancy available at the moment, I would be grateful if you would keep my documents for any future possibilities. Thank you so much for your time reading this letter. Looking forward to receive a positive reply from your side.

Yours sincerely,  
Muhamad Firdaus bin Ismail
