PERSONAL DETAILS

Age : 25 years old

Nationality : Malaysian

Marital Status : Single

Date of birth : 21 DISEMBER 1992

Gender : MALE

I/C No : 921221075353

PERSONAL QUALITIES

I am a positive person that able to see everything in positive site. I can easily adapt with a new environment and in any situation. I am simple and easygoing person. Self-confident is my main character. I possessed excellent interpersonal skills. I can communicate well with others. I am fast learner person. I can easily tolerate with other people. I can manage anything even without any experience. I can make a good decision and eventually solve the problem. I am a leadership person but if u asking for the best follower, I can be both. I am flexible in any atmosphere and condition.

Preferred Work Style

I would like to work in an organized environment, where I can be challenged to perform and be recognized for my performance. I would like to think that I am ambitious and realistic about my chances of completing a task successfully and contribute positively in company. Instead of working environment, I also prefer to work at the place that I can learn. I can learn something new and give something new to others. I would like to work at 'family' mood, where we can tolerate, having a good communication with each other and have an excellent cooperation among the workers.
