Dear Sir/Madam,

APPLICATION FOR PRODUCTION ENGINEER PLACEMENT UNDER 1MALAYSIA TRAINING SCHEME (SL1M)

With reference to the above, I have great pleasure in submitting this application letter to your company for placement of on-job training (OJT) as Production Engineer under the SL1M program.

2. For your information, I am graduate student of Universiti Teknologi MARA (UiTM) Shah Alam, Selangor in Bachelor of Chemical Engineering with CGPA 3.70. Currently, I am a trainee of SL1M program under Khazanah Nasional Berhad and will be completing the 1-month class-training on 19 April 2017. By completing the class training, I will be placed at hosting company for OJT for 6-months and I would love to seek for opportunity to do the OJT at your reputable company.

3. I had my internship at Specific Resources Penjom Gold Mine where I was trained as trainee engineer at plant operation, quality control, metallurgical and fire assaying laboratory. During the training, I was exposed to the real process of how to recover gold from the ore from the crushing section, leaching reactors until smelting of gold sections. Being a trainee has developed in me enthusiasm and a true passion for engineering industry as well as solid multitasking qualities as trainee engineer. I possess a good attitude, quick learning ability and ready to work hard to bring out an excellent results. More importantly, I am eager to implement what I have learned and experienced in the engineering industry which I firmly believe that will be strong driven force for me to do well in the position you are offering.

4. Enclosed is my resume to provide you with some information on my educational background as well as my experience in the field of engineering. If you feel I meet up to your expectations laid for the position, then please contact my number and email stated. I am available and can meet you whenever you want me to.
Thank You.

Sincerely,

Noorasyidah binti Othman
