**SUBJECT: TRAINEE APPLICATION FOR THE POST OF SL1M (IT PROGRAMMER)
2017**

Dear Sir/Madam,

My name is Aryanto bin Taharuddin with an I.C. No. **(930922-13-6547)** and I would like to apply for the trainee position of SL1M as an IT Programmer. I am a fresh graduate from Universiti Malaysia Sabah (UMS) since November 2016. As for your information, I am an ideal candidate for this position as in my experience of web development (HTML, CSS, JS, and SQL). Furthermore, I also have an adequate skill in mobile development (Android based) back in my university days. Here are a few highlights of my achievements.

- Become a participant in Computer Science Project Awards in 2016
- Undergo internship as Technical Support and at the same time developing a mobile apps for internship training.
- Being a participant in Universiti Malaysia Sabah (UMS)'s Hacking Program
- Participated in community event such as Sekolah Menengah Kebangsaan Weston I.T Camp, Beaufort, Sabah.

2. I think this programme would be a good platform for me as a fresh graduate because it will help a lot in terms of technical skills and enhanced my interpersonal skills even further. Besides, this programme will teach me on how to play a good role in a professional environment and how to become a contributor to one's company. For more information please call 018-2544740 or aryantotaharuddin@gmail.com and please refer to my work samples in my resume given. Hopefully, my skills and experiences would meet your requirements for this position. Thank you in advance.

Best Regards,

(ARYANTO TAHARUDDIN)

Fresh Graduate of Universiti Malaysia Sabah
