KEY SKILLS

Microsoft Office

- I was able to utilise resources in the Microsoft Office tools software with the great knowledge of shortcut keys and tricks to perform the works efficiently and prepare the presentation materials creatively.

Biztrak and IFCA Accounting Software (complied with GST)

- The Biztrak software is general accounting software that I used to review routinely while the IFCA software is specifically for property development accounting. I was able to review the works with the user friendly tools and utilised the technologies provided. I was a trainer for the accounting software for new staff in my company.

Group Accounting and fundamental of accounting

- I have excellent Group Accounts knowledge and consolidation of accounts expert. I was able to consolidate 59 conglomerate subsidiaries and successfully complete the accounts ahead before the deadline and submitted to SSM without any penalties.

GST knowledge and fixed the issues related to submission

- When I was in the commercial company, I am the one who reviewed the accuracy and completeness of the transaction for each subsidiaries plus active companies that registered with RMCD. Any delayed in the process to reclaim the refund, I manage to solve for any inquiries by RMCD.
