RE: Application for Job Interview

Dear Sir/Madam,

First of all let me introduce myself, I am Muhammad Zulmajdi Bin Che Ross from Permatang Pauh, Pulau Pinang. It is a great pleasure and very interested that I submit my application for a job in field area of Electric and Electronic Engineering. I am currently just graduated my education in the Bachelor of Electric and Electronics Engineering at UiTM Pulau Pinang majoring in Electronic, graduated end of December 2016. Graduated my Diploma in Electronic Engineering major in Electronic.

Obviously it is good opportunity for me to grab that chance to continuing my journey after completing my study by seeking a job in Electric and Electronic engineering area. I am very interested in Electric and Electronic since it was being introduced at me during semester 1 when u get to choose major after SPM. It really boost for me to take this opportunity. I will do my best for if I am being offered for application position in this company. I want to be very involved in improving the quality of lives of those individuals I have the opportunity to help.

I am seeing this company as a wonderful next step for me in attaining my ambitions. Thank you for the opportunity that had been given to me and I am really hope that for my application being in your consideration. Please contact me if there is anything else I need to provide. I look forward into this application and will do my best for my job.

Sincerely,

Muhammad Zulmajdi Bin Che Ross
