Dear sir/ madam,

Application for the SL1M Programme in Company

Referring to the matter above, I would like to apply a job position in any Engineering discipline at your company according to SL1M Programme. The outstanding of your company profile is very appealing and I would like to be a part of your company. If there are any vacancies related to my field, I'm very interested to accept the offer.

2. I am Mohd Faiznaim bin Ramli, 25 years old and a degree holder from University Institute Technology Mara Pulau Piang in Bachelor of Culinary Arts Management. For your information, I just completed my degree in March 2016 . Hence, I interested with the vacancy that was available and it would be my pleasure if I get an opportunity to build my career with one of the top 20 most admired shared services organizations of 2017.

3. In 2015, I had undergone industrial training at Bustani Hotel, Jitra. I was with other and gained experiences in culinary job to satisfy customers requirements and meet the require safety and environmental standard of each market. I also collaborated of all team members and staff expose the management of work in the culinary field in more details.

4. Besides that, I also develop my skills in Microsoft Office and etc. Furthermore I've also attended some workshop and seminar that had been organized by a few societies or it is already offered in my programmed. Moreover, involvement in extra-curricular activities such as sports, managements, arts and being entrusted to hold positions, it gave me chances to work with many people and enhanced my leadership skills.

5. The enclosed resume provides you further details of mentioned activities above and additional background information of me. Thank you.

Your sincerely,

(Mohd Faiznaim Bin Ramli)
