Dear Sir/ Madam,

APPLICATION FOR ENTRY LEVEL JOB PLACEMENT

Referring to the above matter, I am Nur Shafila Husna Binti Zainol, Bachelor of Computer Science majoring in Computer Network & Security student, from TATI University College, Kemaman, Terengganu, with my current CGPA of 3.88. The main purpose of this letter is to request for an entry level job placement in your dynamic company.

2. I am looking for a position where I can apply all my knowledge gained throughout the two and a half years degree completion in Computer Science (Computer Network & Security) programme. I am a fulltime student and was actively involved in student body and events organizations.

3. Enclosed here is my curriculum vitae that describes further information about my activities and my background. I can be reached at +6018-9466149 or by email (shafilahusna@gmail.com)

Thank you for your time and considerations.

Yours sincerely,

Shafila
