MOHAMAD HAZMI BIN HAMZAH

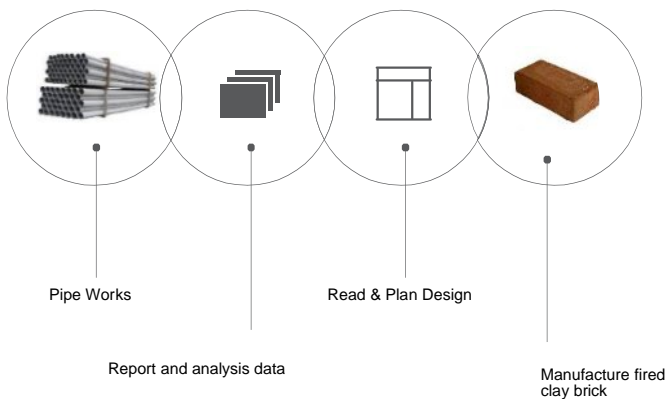

INTRODUCTION

I'm a 27 year old right now pursue my Master Researcher Studies currently based in University Tun Hussein Onn Malaysia (UTHM). Right now, I am doing research on fired clay bricks by using Agricultural waste as additive for producing low thermal bricks. Basically, I am waiting for my VIVA presentation on 9 May 2017 and expected to graduate in this year.

I have nearly have 1 years of experience working as a site supervisor in Toward pipe Line Construction Sdn Bhd Subcontractor Company that run project almost in Penang and Kedah areas. I have experiences regarding on pipe for internal and external work for building construction work.

Why don't we work together? Go futher down to see why I am the man you need to hire!
