

I wish to apply for the position 'SL1M-R&D Chemist under KEN PRIMA COSMECEUTICALS SDN BHD as advertised on the website workshire.com on the 9<sup>th</sup> March 2017.

I graduated with Bachelor of Biomedical Science from Asia Metropolitan University. Although I am a fresh graduate, but I have good motivation for progress and growing, eager to learn, and can work with a team (team work) or individual. Beside that, I'm enthusiastic, self motivated , reliable, responsible and hard working person. I can adapt to all challenging situations and listen effectively when solving problems.

I am a fresher, I need a platform to improve my practical skill and enhance my knowledge. If you give me chance to be a part of your company, I will give my level best and all my effort for the growth of my knowledge and your company. I am a person who willing to travel and free to relocate.

Attached is my resume for your perusal. It shows my educational background and practical experience in the field. Should you require any further information, I can be reached at +60189094457 or through my email [nurfadilahzaini@gmail.com](mailto:nurfadilahzaini@gmail.com).

Respectfully yours,

*Nurfadilah zaini*
