SKILLS AND PERSONAL STRENGTH

Computer Skills	I do have a little skill in using Microsoft Office 2010, Microsoft PowerPoint 2010, and a bit skill for Microsoft Excel 2010 and Microsoft Publisher 2010.
Communication Skills	I was able to speak in english language but not really fluent and able to understand a little bit
Leader Skills	I have leadership skills in leading an organization by leading junior in a camp that held at the plantation as i have been chosen to be one of the dicipline bureau and no matter what will be happend whether it is difficult or not, i will be able to handle it as i am confident with myself that women also can lead and do if they want to do it.
Responsibility	I will solve any problems that might be arise during the job and if i have been chosen to be the leader or as the head of the workers, it is my duty to solve any problem that arise among them and responsible to all consequences that might be faced.
Fast Learner	As a plantation student for semester 5, I learn a lot of thing, like the marketing, the extension educational, the land survey and many other in the subjects that i need to take in the semester and i understand a few things in certain subject because I am a good and fast learner and I will do my job as soon as possible and give full commitment in finishing the job that been given without any excuse.
Experiences	I have a little bit skill in selling or fixing stuff like watch as when it is school holiday, i will take a chances to do part time job and i have been working in the mall at the watch shop when i was about 15 years old and at the handbag shop at the age of 17 years old while the latest, when it is the time for semester breaks, i do part time job at the hotel in myhometown as a banquet waitress.
