Dear Sir/Madam,

Regarding information above, I have attached a copy of my resume for your review and this should give you some idea of my educational qualifications and experience. For your further consideration, I have recently graduated from Universiti Sains Malaysia in Bachelor of Electronic Engineering and hope to use my study in the field of (industry sector).

As a graduate in this major, I have acquainted myself with a range of skills that would enable me to blend into the organizations culture. The degree covered many topics, and I was particularly drawn to marketing topics. I am looking to develop specialist skills in this area and build a successful career.

I have an experienced during my internship at Venture Electronics Services (Penang) as a test engineer. I have experienced dealing with customers through email and direct, troubleshoot the product and solving problem in a team.

I was especially interested in (company). I feel it would be the ideal place for me to begin my career and I believe I can be an excellent addition to your team. If you would get in touch to discuss my application and to arrange an interview, you can contact me via phone 017-4478011 or email to hafizh646@gmail.com.

I look forward to hearing from you soon.

Yours sincerely,

Mohamad Hafis Hafize Bin Yusri
