

# JULIE ELVYANA BINTI ROMLI

## ABOUT ME

Age : 23 years  
Nationality : Malaysia  
Religion : Islam  
Gender : Female  
Status : Single

## CONTACT

**Address :**  
C-7-9 Lake View Apartment,  
Taman Jasa Perwira,  
Selayang Baru, 68100, Batu  
Caves, Selangor.

**Contact number :**  
01123121076

**Email address :**  
elv yana93@yahoo.com  
nana sabrina93@gmail.com.my

## OBJECTIVE

An enthusiastic student in the field of manufacturing engineering is willing to contribute my skills and knowledge to any development company, as well as gaining more experience in real working life.

## EDUCATIONAL BACKGROUND

2012-2016 **Universiti Kebangsaan Malaysia (UKM)**  
Bachelor Degree of Engineering with honors in Manufacturing Engineering  
CGPA : 3.20  
2011-2012 **Pahang College Matriculation**  
CGPA : 3.71  
MUET : band 3  
2006-2010 **SMK Temerloh Jaya**  
RESULT : 5A 4B

## INTERNSHIP

**Ara Borgstena Sdn Bhd**

Internship in production department for 3 months, in charge for quality inspection and monitoring the machine.

## ACHIEVEMENT

2016 i. 3P Prestariang workspace  
Autocad certification program – Participant (pass the exam)  
ii. Assessment for EBX Booster program in Infineon  
2015 Bengkel Autocad dan Inventor  
Faculty program - Participant

SKILLS	
Autocad drawing 2016	Good
Microsoft word	Excellent
Microsoft excel	Excellent
Microsoft power point	Excellent
Microsoft publisher	Good
Autodesk inventor 2008	Good
Laboratory test	Good

## LANGUAGES

Malay :Excellent  
English :Good

## EXTRACURRICULAR ACTIVITIES

2016	Faculty of Engineering and Built Environment of UKM sports carnival	Faculty program - Participant
2015	Program Operasi Khidmat Masyarakat (OPKIM)	Faculty program - Committee member
2015	Yayasan SALAM volunteers	International event - Participant
2013	Minggu Menderma Darah Bersama Komuniti Sihat	University event- Committee member
2012	BSMM UKM detachment 88F	University event- Committee member
2012	Bureau Alumni And External Relations College Rahim Kajai	College association - Director of publicity and protocol
2012	National parade	College event - Participant
2011	National Service Training Program (PLKN)	Participant

		PROJECT
Years	Name of project	Description
2015-2016	Final year project (thesis)	Title : Dispersion of graphene for MIM feedstock. -Use of injection molding machine -research for producing a better material for heat sink in electronic products.
2016	Industrial project	-Learn knowledge in marketing, production planning, quality control, purchasing, inventory management & inventor drawing.
2015	Design project	-Creating innovative product for market sell. -Learn knowledge in design, morphology chart, concept selection and benchmarking.
