

Dear sir/ Madam,

With all my respect, I wish to apply for the above position.

I am currently in the final year of Degree in Software Development and will be graduating in this October 2017.

I am currently attending an internship at USM, Kubang Kerian, Kelantan as the university requirement before graduating on my degree until 28th February 2017.

I was given tasks equivalent as a fresh graduate engineer there and have performed well during the training which have helped me to expose myself on various practical knowledge and management skills including developing system using HTML, CSS, PHP language and MySQL and also involving myself on networking such as troubleshooting network, configuring network for any events held in USM.

I believe my knowledge and technical knowledge could help me to contribute the positive impacts to the company.

Enclosed is a copy of my resume. I am available to attend interview at your convenience. I can be reached at +60179100997 and through the following email address: sofeafarhanna@gmail.com.

Thank you.

Yours sincerely,

RAJA SOFEA FARHANNA BINTI RAJA ZILAN
