Dear Sir or Madam

APPLICATION FOR LIBRARIAN

With regards to the above matter, I am writing in seeking job placement in your organization. I am fresh graduates the Bachelor Information Science (Hons) Library Management at Universiti Teknologi Mara (UiTM). I am passionate library management student. I have learn so many things related to technology and management during my university life not focusing on theoretically but practically session too.

I am keen to join your esteemed organization as I believe that your company provides great opportunity for me to learn and acquire the aspects of my study area. I would like to join your great organization as soon. Any position related to my study field is welcome as I am too excited to explore new things. I believe my skill and knowledge match the position available in your organization and I would welcome the opportunity to discuss my application with you.

I've attached a copy of my resume for details of my experience and education. I can be reached anytime via my cell phone, 017 9219015 or via email at ain_chewan@yahoo.com.my. Thank you for your time and consideration.

Sincerely,

Che Wan Qurat'tun Aini Bt C Wan Jusoh
