I am a fresh university graduate currently looking for an employment as an engineer in order to utilize my skills and experience. I am an enthusiastic learner and pride myself to work under pressure in order to meet deadlines. I am an excellent team player and am able to work independently. I am also willing to relocate as instructed.

Working Experience

2017.09 - 2018.01	Tutor <i>Universiti Teknologi Mara, Faculty of Mechanical Engineering</i> Summarize chapters of Applied Electronics and Microprocessors subject. Teach and guide students in the relevant subject. Discussion of Past Year Questions of the relevant subject with selected mentor.
2017.07 – 2017.09	Internship <i>Construction Industry Development Board Malaysia, Technology Development Sector</i> Assistant for Safety and Health Assessment System in Construction (SHASSIC) officers. Assistant for Quality Assessment System for Building Construction Work (QLASSIC) officers.
2013.06 – 2013.08	Cashier <i>Az-Zain, Customer Service Department</i> Receives payment by cash, check, credit cards, vouchers or automatic debits. Ensure that there are adequate changes and the money count is correct.
2011.12 - 2012.03	Customer Care <i>Aeon Co.(M) Bhd, Customer Service Department</i> Attracts potential customers by answering product and service questions. Open customer account by recording account information. Maintain customer records by updating account information. Provide services in terms of wrapping package, provide membership and renew member cards.

Education
