15 tb3883, Taman Fortuna, Jalan Kuhara, 91000, Tawau, Sabah

Career Objectives

- ❖ Success in an environment of growth and excellence and earn a job which provides me satisfaction and self-development and help me to achieve organizational goal
- ❖ Seeking challenging career in Electronic Communication Engineering to get a position of responsibility, using my skills efficiency to communicate my ideas and views and commit myself for achieving organization objectives with the team effort and my positive attitude and performance.

Core Competencies

- ❖ Fast learner
- ❖ Multitask
- ❖ Detailed and Organized
- ❖ Friendly

Professional Experiences

Wire man

January 2009 - March 2009

- ❖ Installed the electricity from main power supply to the port of the houses or buildings.

Troubleshooter

During Bachelor session

- ❖ Designed digital thermometer by using Motorola 68k language and solved the problem with synchronize between hardware and software.

Programmer

During Bachelor session

- ❖ Used C programming with GSM module to create the smart mailbox.

Internship

Internship July 2013-September 2013

- ❖ Expose integrated telecommunications around Telekom Malaysia Berhad (TM) Tawau, Sabah.
- ❖ The connection for internet often use the cable fibre which highly demand by customer. I have a chance to see on how the cable fibre being connected or being conducted by TM staff.
- ❖ I was brought out to various places, both indoors and outdoors to identify the construction and equipment's involved in network connection. Aside from that, I was able learn from TM staffs on how to deal with their clients and survey particular sights before deciding on what needs to be done and prepared for the project. Site survey is very important because it can avoid rising problems when the actual project start.

Drive Test Engineer

February 2015 - June 2015

- ❖ Record the network coverage 2G,3G and 4G in the cluster area of base station
- ❖ Check the transmission of the base station in each of sector (download, upload, message, voice call, and video call).
- ❖ Served under DiGi and U-Mobile Telecommunication.
- ❖ Covered entire of Malaysia in the cities or rural areas.
- ❖ Constantly work more than 8 hours every test that given.

Business Management

July 2015 -Present

- ❖ Make a research the corresponding market for public use and found oyster mushroom that more nutritious and profitable
- ❖ Brainstorming for the risk will come, financial and planting process
- ❖ The plantation mushroom project conducted by myself only
- ❖ Met with entrepreneurs who have been successful and make a good relationship.
- ❖ I have done designed a steamer with weld the steel and carpentry for make the rack of mushroom bags.
- ❖ Deal with suppliers for agreement in supply my project materials.

Educations

Labuan Matriculation College

Physical Science Course, July 2010

- ❖ GPA: 2.75/4.0
- ❖ Participated any activities held in social and physical

University of Mara Technology (UiTM)

Bachelor of Electronic Engineering (Communication), November 2014

- ❖ GPA 2.86/4.0
- ❖ Successful attended soft skill program

Languages

Malay	■■■■■■■■■■
English	■■■■■■■■■□
German	■■■□□□□□□□
Urdu	■□□□□□□□□□

Skills

- ❖ Adobe(Photoshop, Dreamweaver, Flash)
- ❖ Microsoft Office (Excel, Word Perfect, Power Point),
- ❖ Computer language (C programming, C++ programming and M68k language)
- ❖ Circuit drawer(Altium Design ,Pspice)
- ❖ Telecommunication software (TEMs, NEMO)
- ❖ Cisco Packet Tracer
- ❖ Agilent Genesys
- ❖ CST Microwave Waveguide
- ❖ Xilinx ISE
- ❖ Welding
- ❖ Carpentry

Abilities

- ❖ **Interpersonal Skills**➡Able to get along well with co-workers and accept supervision. Received positive evaluations from previous supervisors.
- ❖ **Flexible**➡Willing to try new things and am interested in improving efficiency on assigned tasks.
- ❖ **Attention to Detail**➡Concerned with quality. Produce work that is orderly and attractive. Ensure tasks are completed correctly and on time.
- ❖ **Hard-working**➡Throughout high school, worked long hours in strenuous activities while attending school full-time. Often managed as many as 65 hours a week in school and other structured activities while maintaining above-average grades.
- ❖ **Entrepreneurship knowledge**➡Work well in team, helpful and willing to share knowledge and expertise with other (concern about work quality).
- ❖ **Reliable**➡Excellent attendance record.
