## Greetings

Dear Sir,

I would like to express my interest in applying for the vacancy position as (Safety, Health and Environment) SHE Engineer or any related post with my field study / working experiences previously.

I possess four years of experience working in various fields in way to be effective in performing the duties and brush up my skill profession. The determination, analytical skill and orientation to detail that I possess are also helping in maximizing my performance so far. My technical experience and education will make me a suitable person for this position. The strengths that I possess for this position are:

- I have attachment Internship at Ministry Energy, Greentech Technology and Water for duration 3 months.
- I have undergone Industrial Internship at Department of Environment (DOE) Johor for 2 months experienced in the Environmental, Health and Safety field.
- I have attended courses Certificate for Safety and Health Officer (SHO) at NIOSH.

With my back ground experience and education, I believe that I can give my full support to the team in making this firm goes advances forward. Please see my resume for additional information on my experience. I can be reached anytime via email at rydahismail@yahoo.com or my cell phone 019-8938638.

Thank you for your time and consideration. I look forward to speaking with you about this employment opportunity.

Sincerely yours

Nur Raidah Ismail
